

Supporting the Implementation of Major National Projects

● Financing of National projects

BPI has financed Hormuz Oil Refining Company in the objective of refining 300 thousand barrels of crude oil per day.

● Participation in the big production plan

Bank Pasargad has taken big steps in commencing and reviving big production plans in the country, with the aid of its subsidiary companies. Followings are 16 factories to be mentioned as some examples, established in the industrial and mines sector:

- Zarand Coke Making Plant with capacity of 800,000 tons per year
- Sirjan Iron Concentrate Plant with capacity of 2 million tons per year
- Zarand Iron Ore Concentrate Plant with capacity of 2 million tons per year
- Pabdana Coal Washing Plant with capacity of 550,000 tons per year
- Hamedan FESICO FeSiO₂ Production Plant with capacity of 12,000 tons per year
- Bardsir DR Making Plant with capacity of 1 million tons per year
- Bardsir Steel Making Plant with capacity of 1 million tons per year
- TPA BIO-LEACH/SX/EW Plant with capacity of 50,000 tons per year
- TPA Copper Tube Plant with capacity of 12,000 tons per year
- Zarand Steel Making Plant with capacity of 1.7 million tons per year
- Zarand Iron Ore Concentrate Pelletizing Plant with capacity of 2.5 million tons per year
- Sirjan Iron Ore Pelletizing Plant with capacity of 2.5 million tons per year
- Kerman DR & Steel Making Plant with capacity of 1.5 million tons per year
- Sirjan Iron Ore Concentrate plant (2nd phase) with capacity of 2 million tons per year
- Zarand Iron Ore Concentrate Plant (2nd phase) with capacity of 2 million tons per year
- Butia Iron Ore Pelletizing Plant with capacity of 2.5 million tons per year

300
thousand
barrels
of crude
oil per day

16
factories

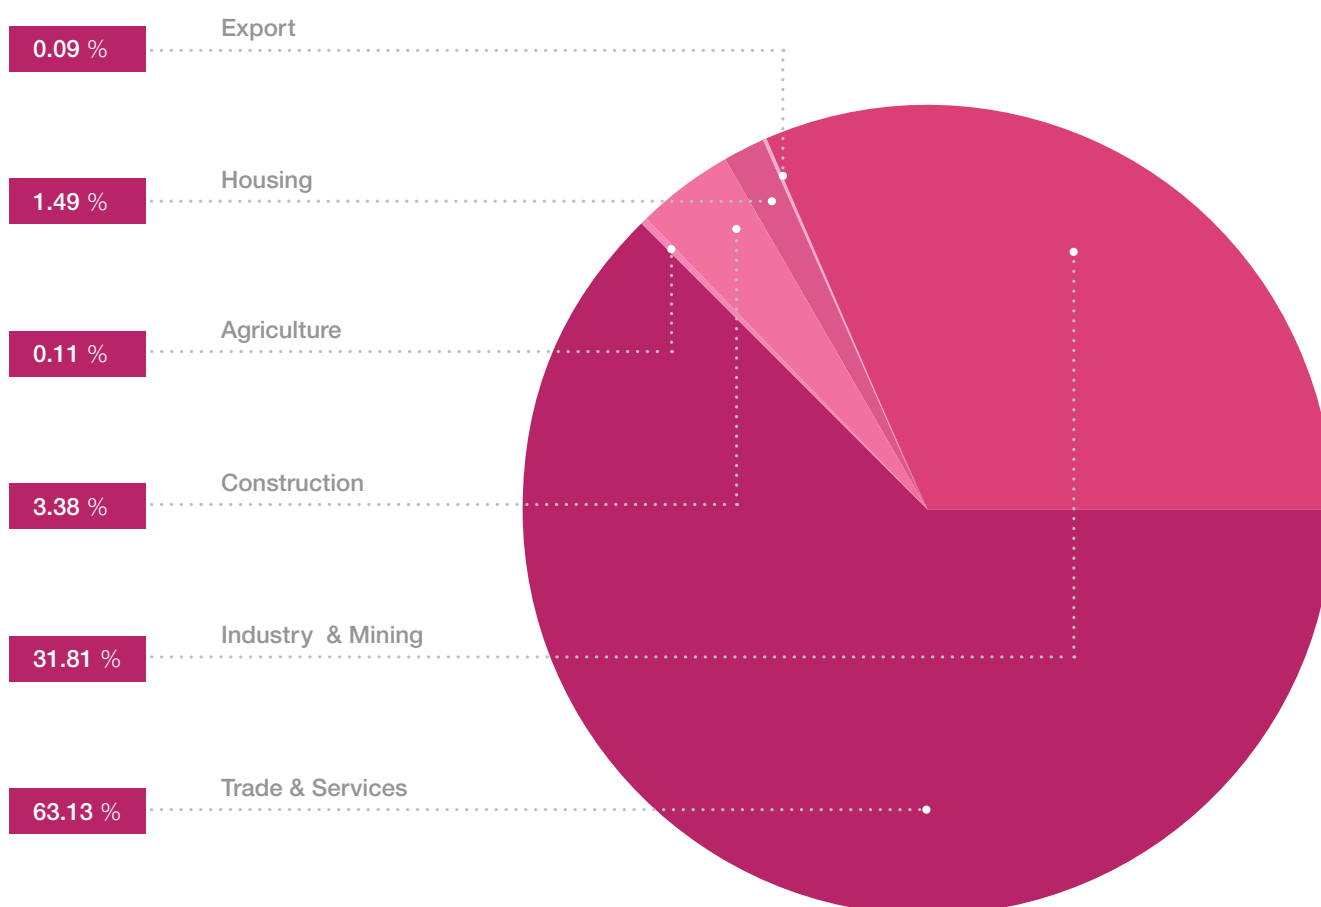

The total development cost of these 16 projects, summed up to **IRR 50,000 billion** (based on reference currency rate)

● Production support and economic self-sufficiency

In order to achieve economic self-sufficiency, BPI has continuously supported the country's manufacturing sector by providing preferential financing conditions.

● BPI unceasingly granted financial facilities to all sectors of the Iranian economy

Facilities Granted to Various Economic Sectors

Employment Opportunity

● Direct Employment

As of 19 March 2016, Pasargad Financial Group (BPI, its subsidiaries and affiliates) employed 31,527 employees as shows in the table below:

No.	Company	Number
1	BPI	3,815
2	Middle East Mines and Mineral Holding Co. (MIDHCO)	8,966
3	Pasargad Insurance Co.	13,329
4	Pasargad Aryan ICT Co.	571
5	Pasargad Aryan Supporting Services Co.	835
6	BPI Electronic Payment Co.	437
7	Others	3,574
Total		31,527

● Indirect Employment

By dividing the total amount of credit facilities granted by BPI for year 2015/16 by capital required for creation of one job (IRR 2,691 million), we can conclude that BPI created more than 82,000 indirect jobs for the year 2015/16.
